Kello,

How is everyone at ^{home}? I am feeling fine. I received your letters yesterday. Reba gave the papers and you'd them to me. Let me know if you are getting my letters. Momma you can tell grandpa & grandma hello for me. I haven't forgotten about them. The only letter I write is to you. Don't worry about me because I am getting along fine. Tell rest of the family to write. Well I will stop as it is getting late. I will write again soon. Be sure to send the things I sent for.

Goodbye
Bill
