Remember in England

Hello daddy,

I thought I could write you a personal letter. I mailed it to Va Bridge work so you could get it. You don't have to show it to mamma if you don't want to. Well I am getting along fine and still working. I write a V mail here today. I don't know when you will get this one. I am sending it by blue envelope write in one of Mamma's letters if you get that letter. Will I still remember what you said so don't worry about me. I suppose you know ~~what~~ how things

and over here by listening to the news.

~~_____~~

Now is rest of the family getting along;
tell them not to worry about me I will
write every week. If you don't hear from
me every week you know where I am.
I will write every week until I can't. Will
be sure to write and let me know
if you get this. Well I have just come
from a show and fixing to take a nap,
well I will stop for today. I will
write again soon.

Goodly

Bill
