Hello, *England*

How is everyone. I am feeling fine. I visited London and had a swell time. Tell ~~about~~ Tom's mother hello and I will write to her soon. Have you found the place I wanted yet. Has daddy sold the Dodge yet. I ain't lazing about one because I am having a good time over here. Well see in a sec or two here. Tell grandpa Perdue I am still thinking about her. I will write to her later on. Well I will stop for today. I ain't forgot to send me some pictures of the family.

*Yours truly,
Bill.*
