(CENSOR'S STAMP) INSTRUCTION NO. 2 (Sender's complete address above)

Sunday eve July 9th

Dearest Billy boy,
 Here I come with another letter. I hope you are getting all of letters I write every day, and I hope & pray you are alright, we are all well. Daddy went to the country last night to bring back a load of potatoes, today Grandpa has dug 25 bu. & there a lot more to dig. Reba went over to Beulah's today. They wanted me to come with Reba, but I would rather stay at home (you know me) Carroll has stayed at home all day, we had a real storm and rain yesterday eve. It sure was needed & every thing looks good today. Bill if you are wounded, in any way please write us or get some one to write for you. You know we want to know just how you are. Now don't keep any thing from us (hear me) we know if you are alright you are mighty busy, as we hear all the news, we are praying that this war will soon be over, Tom is at the same place, they havent heard from Russell yet, now I hope to hear from you soon. Love
 Momma
