Dearest (unclear) (unclear)  
 This Sunday evening finds me deeply thinking  
 ing) of you & wondering where you are & if you  
 are alright. I rec: a letter yesterday you wrote  
 May 28. In any way I am hoping & Praying you  
 are alright. We are all well. Daddy got up  
 early & went to the country he had some cabbage  
 plants to take over. Reba & Carroll is both  
 lying down reading, & resting up for tomorrow.  
 It is cool & windy here, & very dry. I know  
 you are in France or have been. I hear it  
 has been cool there. but I expect you boys  
 you all have hot work to do. I get all the news  
 over the radio. So day news has been good.  
 I told you once, Woodie Ferguson is married &  
 guess it is true. & Melva has another baby  
 boy that is three for her. & Charlie is at  
 Pearl Harbor, working well. Honey try to write  
 a few lines, once a week if you can. we you  
 know are mighty anxious about you. we will  
 write every day. Love. Momma
